BIG FIRE AT DAYTON,

One Man Fatally Hurt, Four Injured, Church and some Lumber Destroyed.

DAYTON, May 1.—One man was fatally injured and four others severely hurt at a fire which destroyed a third of the lumberyard of the A. G. Berhart Lumber company, gutted the St. John's Lutheran church and destroyed four loaded freight cars.

The injured: Thomas Lawler, Matt Link, Charles Chamberlain, Burkhardt Kunkel and John Maloy. Two firemen were overcome by heat. The fire originated in the lumberyard. High winds carried sparks to the roof of the church, two blocks away. Link and Chamberlain, who were working on the church roof, were cut off from escape by the flames and attempted to slide down the lightning rod. The rod broke when the men were 30 feet from the ground. Lawler, Kunkel and Maloy were struck by falling embers and bricks. The loss is about \$75,000.

Anti-Saloon League Field Day.

STEVENSVILLE, May 1.—The Anti-Saloon League had a field day here, holding meetings in all churches morning and evening and a big meeting in the opera house in the afternoon. The speakers were Mrs. Lake of St. Louis, Rev. P. A. Baker, Rev. G. J. Raynor and Rev. Dr. J. C. Jackson of Columbus. They were especially severe in their attacks on Senator Blake, who is a candidate for re-nomination, and is endorsed by the Liquor League.

Cleveland Man Killed.

CLEVELAND, May 1.—L. M. Pitkin, president of the Variety Ironworks company, and one of the best known business men of this city, was instantly killed by the westbound Lake Shore flyer at Cedar, a suburb. Mr. Pitkin failed to notice the approach of the flyer and stepped from behind some freight cars directly in front of it.

Robert Still Very Sick.

WASHINGTON, May 1.—Vice President Robert's condition continued to improve very slowly, and he was still a very sick man.

LEFT AKRON

With a \$300 Ring and \$600 in Money.

Geo. Lesser, who has been employed as a jeweler in B. Wingerter's store at 185 S. Howard St., quietly left Akron Saturday, April 22.

He took with him a \$300 diamond ring and a quantity of gold. Just previous to his leaving he borrowed \$300 of Ernest A. Pfleger on a \$1,000 United States bond. Mr. Wingerter has not caused Lesser's arrest because he had himself safely secured.

At present Lesser is in New York City.

BEEBE'S WIFE.

Woman in New York Claims to Have Married Him.

Another chapter in the interesting career of Sergeant Beebe has come to light. Captain Tillson, of the Cleveland recruiting office, is in receipt of a letter from Hillburn, N. Y. A woman at that place says she was married to the dashing soldier some time ago. If her statement is true, Beebe became a bigamist when he married Miss King, the actress, in Canton. Beebe is now in Canada.

BILL POSTERS

Will Be Asked to Pay a Heavy License.

Another ordinance will be introduced into the Council tonight, providing that every bill posting company or firm desiring to advertise in or about Akron, by tacking bills and signs on telegraph poles and the like, shall pay a license of \$50 a year.

The object of this ordinance is to do away with littering the streets with bills and placards. It will also discourage many fake advertisers, who visit Akron if they are compelled to pay \$50 before they do any work.

SEVERAL FACTORIES

Negotiating For Sites at Warwick.

---Business Boom.

W. B. Humberger, representing the Chippewa Sand & Stone company, was in Akron Monday. This company has recently purchased the Warwick farm at Warwick. Mr. Humberger confirmed the report that several plants were negotiating for sites on the property. The stone, or a portion of it, is adapted to the manufacture of glass. It is probable that a plant will be erected at Warwick.

GIVE THE CHILDREN A DRINK

Cold grain-o. It is a delicious, appetizing, nourishing food drink to take the place of coffee. Sold by all grocers and liked by all who have used it because when properly prepared it tastes like the finest coffee but is free from all its injurious properties. Grain-o. is a stimulant and strengthens the nervous system. It is not a stimulant but a health builder, and children as well as adults can drink it with great benefit. Costs about one-fourth as much as coffee. Brand No. 1.

1 lb 22c Reception Coffee for 20c, with checks.

1 lb 20c Golden Rio Coffee 18c, with checks.

These coffees are coffees that ARE coffees.

Special price in 10 lb lots.

Do you know why you so often have poor coffee? Coffee begins to deteriorate the minute it leaves the roaster. Therefore, to be its best, coffee must be fresh roasted. The only place to get fresh roasted coffee is at our store. We roast and clean all green coffee before roasting. We roast coffee weekly, hence never have coffee over a week old.

Good coffee properly made (not boiled and reboiled) will not hurt anybody, all substitute twaddle to the contrary notwithstanding.

We can suit all tastes. The rich aromatic flavor of genuine Corinthe Java and finest Arabian Mocha. The smooth drinking Mameado or the pungent Rio and Brazilian Coffee.

Unfortunately the cheap package coffees on account of price have perverted the tastes of 90 per cent of the people. Only the very cheapest Rio are put up. That is why we want you to try our higher grades.

MAHER

Favorite In Betting.

Ruhlin In Excellent Condition For the Fight.

Important Event at the Lenox Club.

Buchtel Was Not Strong Enough For Case.

Brewster Pitched a Good Game—Sporting News.

Gus Ruhlin and Peter Maher will meet under the auspices of the Lenox Athletic club in New York city, Tuesday night. Ruhlin says he is in prime condition for the fight. He has trained at Mechanicsville, N. Y. Madden has great confidence in Gus' ability. If the Akron Giant wins this match he can again make claims for championship honors. Maher is a decided favorite in the betting. Returns will be received in this city by Barney McDermott.

Buchtel Defeated.

The Buchtel college base ball team played its first game with the Case school club Saturday afternoon. Buchtel was defeated because of its inability to hit the ball. The players evidently suffered from stage fright. The Case team excelled in all the points of the game. A fair sized crowd witnessed the contest. The score:

Brewster Pitched.

Alf. Brewster of this city, pitched for the University school in a game against the Oberlin High school team Saturday. Oberlin won by a score of 7 to 5. Only four hits were made off Brewster's delivery.

Ruhlin May Meet Him.

There is a man coming all the way over the blue Atlantic to try to knock Peter Maher's head off—as if poor Peter hadn't been whipped often enough by purely domestic fighters, says the Cleveland World. The latest aspirant for the honor is Mike Morrissey, who claims to be the only real Irish champion. Morrissey is credited with victories over Peter Jackson and Frank Slavin, in Dublin. He weighs 185 pounds, is 27 years of age and stands six feet in his stockings. The Lenox A. C. will offer a purse for the bout if Maher defeats Ruhlin in their coming bout. If Ruhlin wins, it is likely that he will be matched to meet the Irishman.

Macon's Comment.

"The next big event hereabouts is the go between Peter Maher and Gus Ruhlin scheduled for next Tuesday night by the Lenox club says Macon in the Enquirer. Maher was present at the Walcott-Creedon affair, and, as far as I can judge, looked to be in fairly good condition. He and the big Swiss ought to make a lively go of it, though if Peter is as good as he was the night he boxed Tom Sharkey he ought to win in a canter. You can't tell, though, for, like the fabled Stephen, he's most deceiving, and just when you expect most of him he fails utterly."
